### **What can you do and who can you contact if have any questions or concerns?**

Your child's **class teacher** is always your first point of contact and should be able to answer most of your questions. They may recommend a conversation with our **Inclusion Team**.

If you need to talk to someone about a more specific special need and the support available for your Child(ren), make an appointment to talk to the school's Special Educational Needs & Disability Co-ordinator (SENDCo) **Lydia Leeson**.

**If you would like a copy of this in another language please contact the school for a copy.**
