It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2022 and '[Sexual violence and sexual harassment between children in schools and colleges](#)' guidance. The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)".

- For all governors, teachers and non-teaching staff to know what the school policy on bullying is, and to follow it consistently.
- For all pupils and parents to know what the school policy on bullying is, what they should do if bullying arises, and how they will be supported.
- To develop an anti-bullying culture at Kingsway Primary School where the bullying of adults, children or young people is not tolerated in any form.

2) Links with other school policies and practices

This policy links with several school and LiFE MAT policies, practices and action plans including:

- Behaviour policy

- Safeguarding policy
- Online safety policy
- Searching, screening and confiscation policy

3) Links to legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- [The Education and Inspection Act 2006, 2011](#)
- [The Equality Act 2010](#)
- [The Children Act 1989](#)
- [The Malicious Communications Act 1988](#)

4) Responsibilities

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

5) Definition of bullying

Bullying, as defined by the *Anti-Bullying Alliance*, is the **repeated** use of any action or behaviour with the **intention** of hurting another person or group by another person or group, where the relationship involves an **imbalance of power**. Bullying occurs when these inappropriate behaviours happen **several times, on purpose (STOP)**, with the intention of causing harm to others.

- Bullying can be verbal, physical or psychological.
- It can happen face to face or online.

- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally and physically abusive and can cause severe and adverse effects on children's emotional development.

It is **NOT** an occasional argument or falling out with peers. It is not a one off incident or disagreement although it is important to bear in mind that unresolved bad feelings, or relationship problems left unaddressed can be the start of a pattern of behaviour in which the intention is to cause harm or distress, and can create an imbalance of power which makes an individual or group more vulnerable.

6) Forms and types of bullying covered by this policy

Bullying can happen to anyone. This policy covers all types and forms of bullying including:

- Bullying related to physical appearance Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Physical bullying
- Emotional bullying
- Sexual bullying
- Bullying via technology, known as online or cyberbullying
- Prejudicial bullying (against people/pupils with protected characteristics):

 - Bullying related to Special Educational Needs or Disability (SEND)
 - Bullying related to sexual orientation (homophobic/biphobic bullying)
 - Gender based bullying, including transphobic bullying
 - Bullying against teenage parents (pregnancy and maternity under the Equality Act)

7) School ethos

- The Kingsway Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- **Our Community:**
- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from relevant organisations when appropriate.

8) Reporting bullying

Children

- Children are encouraged to 'Start Telling Other People'
- They are encouraged to report possible bullying to any member of staff they trust, a friend or a member of their family.
- Children can request to talk to someone.
- Children who are 'bystanders' are encouraged to support their peers by reporting any suspected bullying.

Staff

- All incidents of suspected bullying will be dealt with by the member of staff it is reported to, usually the class teacher.
- All staff are responsible for the safeguarding, health and well being of the children and have a duty to respond seriously to any claim of bullying.
- If they are unable to investigate the matter it must be referred immediately to a member of SLT or a DSL.

- The Head teacher will also be informed and, if bullying is confirmed, it will be logged using the school's CPOMs system - all instances of bullying will be recorded and monitored for patterns of behaviour.
- Members of support staff should report to a class teacher or SLT if they have any concerns about potential bullying and should complete a concern form.

9) Responding to bullying

Our school has a clear system to report bullying, this includes those who are the targets of bullying or have witnessed bullying behaviour (bystanders).

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The headteacher or another member of leadership or teaching staff will interview all parties involved.
- The DSL (Designated Safeguarding Lead) will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with safeguarding policy
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

- When responding to cyberbullying concerns, the school will:
- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy.
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the perpetrator, as well as ensuring access to any additional help that they may need.

Supporting adults

- Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
